

FRAMED HINGED DOOR + PARTITION

GERAHMTE DREHTÜR + TRENNWAND PUERTA ENMARCADA + PARED PORTE À CADRE + PAROI

The idea behind framed hinged door + partition is to mix and propose different styles, also from different eras, in a new form, using the most modern construction techniques.

Sliding or hinged doors can be easily integrated into fixed walls and can enhance the design of any room.

Die Idee hinter gerahmte Drehtür + Trennwand ist es, verschiedene Stile, auch aus verschiedenen Epochen, in einer neuen Form unter Verwendung modernster Konstruktionstechniken zu mischen und vorzuschlagen. Schiebe- oder Drehtüren harmonisieren perfekt mit festen Wänden und können jeden Raum gestalterisch aufwerten.

La idea detrás de puerta enmarcada + pared es mezclar y proponer diferentes estilos, también de diferentes épocas, en una nueva forma, utilizando las técnicas constructivas más modernas. Las puertas correderas o batientes se pueden integrar fácilmente en paredes fijas y pueden realzar el diseño de cualquier estancia.

L'idée de porte à cadre + paroi est de mélanger et de proposer différents styles, également de différentes époques, sous une nouvelle forme, en utilisant les techniques de construction les plus modernes. Les portes coulissantes ou battantes peuvent être facilement intégrées dans des murs fixes et peuvent améliorer le design de n'importe quelle pièce.
